MEDICINAL.

"The square peg in the round hole" figuratively expresses the use of means unsuited to the desired end. A great many people who have been cured of dyspepsia and other diseases of the stomach and its allied organs of digestion and nutrition by the use of Dr. Pierce's Golden Medical Discovery say: "We tried many medicines with only temporary benefit. It was not until we began the use of 'Golden Medical Discovery' that we found a complete and lasting cure."

\$3,000 FORFEIT will be paid by WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also the signatures of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"It is with pleasure that I tell you what Dr. Pierce's Golden Medical Discovery and 'Pellets' have done for me," writes Mrs. T. M. Palmer, of Pelee, Kaufman Co., Texas. "Two years ago I was taken with stomach and bowel trouble. Everything I ate would put me in distress. I lived two weeks on milk and even that gave me pain. I felt as though I would starve to death. Three doctors attended me—one said I had dyspepsia, two said cancer of the stomach and bowels. They attended me (one at a time) for one year. I stopped taking their medicine and tried some patent medicine, got no benefit. I grew so weak and nervous my heart would flutter. I could not do any kind of work. Now I can do my house work very well; am gaining in flesh and strength, and can eat anything I want."

Accept no substitute for Dr. Pierce's Golden Medical Discovery.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

TUESDAY EVENING, FEB. 16, 1904.

Mardi Gras.

With the arrival of His Majesty Rex, the New Orleans carnival is in full swing. Trains yesterday brought several thousand visitors, and the hotels are crowded.

The king of the carnival made his entrance by the river route, landing at the foot of Canal street, where was gathered an immense concourse. He was escorted up the river by a gaily decorated fleet, and the battleship Texas was dressed for the occasion. Local and federal troops led the procession through the streets, which were packed densely with thousands of people.

The Krewe of Proteus appeared last night in a pageant of great splendor, devoted to a pictorial representation of the alphabet. There were twenty cars, and the subject was treated with fine effects of paint and calcium.

Following the parade the Krewe entered with dazzling tableaux and a brilliant ball at the French Opera House, attended by many prominent society people of New Orleans and other cities. Proteus chose for his queen Miss Eliska Provosty, daughter of Associate Justice Provosty, of the Supreme Court.

The programme for today includes the Rex parade during the day and Comus pageant at night.

With a blare of trumpets and escorted by United States and State troops, King Prizous arrived at Pensacola yesterday, formally opening the Mardi Gras carnival of 1904. The largest number of visitors ever known to attend a Mardi Gras in the history of the city is present. Today's programme will include the grand mystic parade.

The Mother of Myths carnival reached its full swing at Mobile yesterday with the arrival of "Emperor Felix III." The city was gayly decorated, and many visitors were present.

Terms of Court.

The number and dates of the terms and sittings of the new Circuit Courts in the Sixteenth circuit, as fixed by the legislature, are as follows:

Judge C. E. Nicol.

Fauquier—Fourth Monday in January, March, May, July, September and November.

Loudoun—Second Monday in February, April, June, August, October and December.

Prince William—First Monday in February, April, June, August, October and December.

Fairfax—Third Monday in January, March, May, July, September and November.

Alexandria—Fourth Monday in February, April, June, August, October and December.

City of Alexandria—First Monday in May and November.

A Skyscraper.

Plans have been prepared for the most striking looking office structure yet built in New York City skyscraper. If they are not changed before the time for the actual putting up of the building the result will be a structure of steel and masonry 32 or 34 stories high on a site of about 5,000 square feet—two city lots. This will be the tallest office building in the world. The property is the Virginia Hotel site, bounded by the Grand Circle, Broadway, Eighth avenue and Fifty-eighth street. It is owned by the New York American and is to be improved in about a year's time with an office building for the use of that newspaper. No one has ever built an office structure more than 25 stories high, but the reason for limiting the height has been a financial one, not the fear that it was necessary for safety.

Tendency of the Times.

The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. Be on the safe side and take Chamberlain's Cough Remedy as soon as cold is contracted. It always cures. For sale by Richard Gibson.

Escaped an Awful Fate.

Mr. H. Haggins, of Melbourne, Fla., writes: "My doctor told me I had Consumption and nothing could be done for me. I was given up to die. The offer of a trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery. It surely saved my life. This great cure is guaranteed for all throat and lung diseases by E. S. Leadbeater & Sons, druggists. Price 50c and \$1.00. Trial bottles free.

Have You Indigestion?

If you have Indigestion Kodol Dyspepsia Cure will cure you. It has cured thousands. It is curing people every day—every hour. You owe it to yourself to give it a trial. You will continue to suffer until you do try it. There is no other combination of digestants that digest and rebuild at the same time. Kodol does both. Kodol cures, strengthens and rebuilds. Sold by all druggists.

It Will Surprise You—Try It.

It is the medicine above all others for catarrh and is worth its weight in gold. Ely's Cream Balm does all that is claimed for it.—B. W. Sperry, Hartford, Conn.

My son was afflicted with catarrh. He used Ely's Cream Balm and the disagreeable catarrh all left him.—J. C. Olmstead, Arcola, Ill.

The Balm does not irritate or cause sneezing. Sold by druggists at 50c, or mailed by Ely Brothers, 56 Warren St., New York.

FOR OVER SIXTY YEARS

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.
